

Billing for Hospice

Fully Integrated Financial Management.

Today's hospice agency faces a complex regulatory and reimbursement system. CareFacts understands this and has developed system solutions that allow you to deal with all payors, including Medicare, Medicaid, and private insurance companies. You have the option of billing by the visit, hour or units, and can bill for services and supplies. CareFacts is fully compliant with current regulations and gives your agency clear and concise information to make direct billing straight forward. Unique client reporting requirements are easily fulfilled by using the embedded reports feature. Expenses are also easily tracked in multiple ways allowing you to determine what best fits your agency.
